

Thornton Conservation Commission January 3, 2012 Minutes

Town Meeting Room 8:30 a.m.

Sally Davis, Chair, called the meeting to order with Stephen Shaughnessy present. Also present at Sally's encouragement and invitation was Shelly Garber who has written the Selectboard to be on the commission although not yet interviewed or approved. Fred Johnson had to resign due to his changed work and family situation.

We spent most of the hour talking about the work of the Commission and what we still need to do to get an inventory done for Thornton.

The website has been changed and our minutes are no longer posted. Sally has asked the Town Administrator about that and how to post future minutes.

Mail: Wetlands File # 2006-00020, Tax Map 10 lot 2 owned by Shirley and Jared Benton and Keith McNamara described the filling of 9,570 square feet of wetlands.

The meeting was adjourned at 9:30 a.m.

Sally Davis

Acting Secretary
