Concerned Citizen Form

Intent to Cut on Joshua Lane

A concern was received regarding the catch basin on Joshua Lane. TA Beaulieu informed the Board that J. Paul-Hilliard visited the property and took pictures as to the condition of the catch basin at the temporary apron. RA Kubik has been advised to review the property to make sure that the basin is cleaned out at the time the project is completed.

Special Event Checklist – Antique Tractor Show on June 14, 2015

Mr. Russ Gilman completed the checklist and answered no to all questions on the checklist. A special event permit is not required for this event.

Petition for Speed Control – Robbins Nest Road

Marla Fredette submitted a petition with 5 signatures sharing their concern with the traffic speed on Robbins Nest Road. TA Beaulieu spoke with Chief Diamond and if the road is not posted the assumed speed is 35. TA Beaulieu and Chief Diamond agreed that 35mph is not a safe speed for the road. Chief researched the RSA's and shared that the lowest speed that the town is permitted to post is 25mph. The Board agreed that M. Fredette's concern is valid and the Board will look into the town's ability to lower the speed limit to 15mph. The Board agreed to schedule Chief Diamond on the next agenda to discuss the speed limit laws further.

Beautification Committee

TA Beaulieu received an update and a request from the Beautification Committee. The Committee would like to purchase a rooted Christmas tree from Roland Downing to plant on the boundary line at the Town Hall. The Committee would also like permission to ask assistance from the Highway Department to move the tree. They would also like to contact an electrician to install an outdoor receptacle. The Board agreed to these requests.

Christmas tree lighting is scheduled for December 9, 2015.

The committee would like to purchase a bench for the hallway inside the Town Hall for patrons waiting for service. The Board agreed as long as fire codes are met.

The Committee would like to request photo's to be taken by residents in town areas of beauty and interest and to have them placed in an album and displayed on the table in the hallway at the Town Hall. They would like them eventually displayed to meet the décor of the interior of the Town Hall. The Board agreed to this request.

PUBLIC INPUT

Enforcement

Present: Richard Giuliano, Todd Baldwin

Mr. Giuliano met with the board to discuss a concern with offensive signs posted on abutting land. The Selectboard discussed this concern and agreed that the Planning Board should revisit the sign ordinance to make the limits clearer. The Board discussed the existing sign regulations and zoning ordinance and explained that due to freedom of speech it is not in the town's jurisdiction to enforce the removal of the signs. The Board explained that the abutters could provide pictures showing the progression of building and signs on the newly purchased properties for further discussion and to determine if the Town has any noncompliance issue that can be enforced.

Citizens discussed concern that a driveway permit may be needed for both newly purchased properties. The Board agreed that if the property changes from what currently exists then a driveway permit will be needed by the town or the state depending on which lot is changed. It was agreed that the town will forward the suggested non-compliance issues to get a legal opinion.

7:00 PM Town Tax Deeded Property Bid Openings

The bid advertisements were published in the Record Enterprise on May 14, 2015, and Union Leader on May 17, 2015. All properties available for bid and directions to submit sealed bids were included in the advertised.

TA Beaulieu provided a bid spreadsheet to indicate the amount of bids received with property information including back taxes owed with interest and penalties.

Present: Owen Franklin, Rebecca Farnsworth

The Board reviewed the following bids received. M. Peabody recused herself from the meeting and left the room. The Board discussed the properties and the bids received. R. Sabourn stated that he would vote no for bids less than \$2,000 due to the differences in bid amounts and assessed values. J. Demeritt was not in favor of any of the bids received and feels that the town should wait. TA Beaulieu reminded the board that the Selectboard cannot act as real estate agents and that their goal is to do what is equitable for the Town it is not expected to collect the

assessed values on these properties but hope to collect as much of the back taxes and to return the properties to the tax rolls.

Selectwoman Peabody re-joined the meeting.

Concerned Citizen Complaint

KOA Campground PID2/5-1

R. Sabourn spoke with the property owner Darlene Davis regarding the condition of the outside property. D. Davis has agreed to clean up the outside area as her scheduling permits. The concern will be placed in a pending file for follow up and a letter to M. Hennessy responding to the concern.

Outdoor Business Use PID 15/4-26

During the previous meeting the board agreed to have Nancy and Brian visit the property. TA Beaulieu suggested that the Planning Director not review the property since he reviews applications for Planning Board. The process in place has been to have the Selectmen Enforcement Representative assist the AA in site reviews for enforcement. The board agreed to not take enforcement action at this time. The board also discussed ways to encourage small business while still meeting the ordinance.
