

REMINDER: It's Dog Registration Time!

April means it is time to get your dog licenses. Dogs 4 months old or over must be licensed on or before April 30. Dog licenses are available from your town clerk. In order to get a dog license, you must bring proof that your dog's rabies vaccination is current (Unless we already have a current vaccination on file!)

FEES

If the dog has been neutered or spayed, a certificate must be furnished (if licensing for the first time). New Hampshire has a sliding scale of dog license fees with puppies under 7 months and spayed or neutered dogs getting a discount. In addition to the dog license fee, there is a \$2.00 fee that goes to the state's Companion Animal Neutering Fund. This fund provides low-income dog and cat owners with low-cost spaying and neutering of their pets.

The fees are:

- 4 months old but less than 7 months (not spayed or neutered) \$ 6.50
- 7 months old or older (spayed or neutered) \$6.50
- 7 months old or older (not spayed or neutered) \$9.00
- Owners who have 5 or more dogs may get a group license for a set fee of \$20.00
- Over 65 \$2.00 (first dog only)

WHERE DOES THE MONEY GO?

\$2.00 goes to the state's Companion Animal Neutering Fund. This fund provides low-income dog and cat owners with low-cost spaying and neutering of their pets.

\$1.00 goes to the Town Clerk

.50¢ goes to the Veterinary Diagnostic Laboratory

The rest goes to the town or city.
